Current
Situation:

Ongoing damage assessment has identified two additional minor structures that were destroyed by the fires.

There are 7 active fires ranging in size from 147 to 1,375 acres, for a total of 4,458 acres burned. Fire growth is not anticipated on the Blocksburg, Bluford, Dobbyn, Wildcat or Winchester Fires. Fires are burning in steep, rugged terrain with poor access and heavy timber fuels. The Pine Fire has reached the boundary line of the Mount Lassic Wilderness.

Threat continues to commercial timberland. Much of the timberland is owned by small timberland and rangeland owners, who rely on timber and range revenue for a steady source of income. Fires threaten habitat for threatened and endangered species.

There are several fires burning near the Humboldt Complex in United States Forest Service jurisdiction. For information on the USFS fires contact: 530-628-0039

Road
Closures:

Highway 36 is closed from the Humboldt/Trinity county line to State Route 3 in Trinity County.
